Petitioner Sean Bucci petitions this court for issuance of a writ of mandamus to the District Court of Massachusetts directing said court to, within thirty days, render a decision concerning two motions which have sat dormant for over seventeen (17) months. For reasons as set forth in the accompanying Memorandum of Fact and Law, Petitioner avers to possess a "clear and indisputable" right to the relief requested and the respondent possesses as duty to provide said relief. Petitioner additionally avers that he has no other means of obtaining the relief requested and the absence of such relief is causing irreparable harm.
